

## Directions to Information Technology Outreach Services (ITOS)

Please note these assume you are travelling from the west and travelling through Athens:

Take Broad St (Atlanta Highway) through Athens into downtown. Once you are in downtown get in the left lane. Go all the way to the edge of downtown. At the light the middle lane allows you to go straight (both the right and left lanes are turn only). You will go straight through at the light in between a large green building that is shaped like a triangle on the right and the Athens Banner Herald Newspaper building on the left. Continue to the bottom of the hill and cross the river to the light at the bottom of the hill. At the light turn right, take the first right into the parking lot and feel free to park in any available parking spot in the parking lot not marked for "Greenway Visitor" (our receptionist will provide you with a parking pass). The Chicopee building is across the street. If you go in the door with Historical marker beside it go to the top of the carpeted stairs. At the top of the stairs turn right and go through two doors (about a 100' feet apart) our main office will be through the second door on the right. Any problems call 706-542-5308. Below is our location on Google.
